

Athul RAJ P R

Btech Computer Science Student

UI UX Designer shaping user-centered digital products for 150,000+ followers across YouTube and Instagram through **user research, high-fidelity prototyping**, and product development. Built **3 projects** during industrial training, including an e-commerce seller dashboard mobile app, a high-conversion landing page, and a responsive multi-page website. Connects engineering thinking with interface design to create usable, scalable experiences.

Work Experience

**2026-07 -
Current**

Co-Lead

IEDC MEDIA, Kochi, India

- Coordinated project timelines and deliverables, ensuring timely completion of media campaigns in IEDC.
- Contributed to development of content strategies that increased audience engagement across various platforms.
- Facilitated execution of day-to-day operations, promoting a collaborative work environment among team members.
- Researched industry trends to inform creative decisions and optimize content performance.

**2025-12 -
2026-04**

ui ux designer

Bangalore

- Undertook professional development in UI/UX design through a collaboration between Kshiti, IIT Kharagpur, and DesignMacha
- Navigating the full product design lifecycle from conceptualization to execution of real-world deliverables such as an E-commerce Seller Dashboard and responsive multi-page architectures.
- Refined proficiency in user research and high-fidelity prototyping under the mentorship of industry veterans, merging IIT's standards for excellence with 1stop.ai's industrial training to develop a robust, user-centric design methodology.
- Ensured every interface built is functional, scalable, and aesthetically compelling.

Education

**Expected
in 2029-01**

Bachelor of technology: computer science

*Rajagiri School of Engineering And Technology -
Kakkanad, India*

Certificates

UI-UX Design Industrial Program

English for Technical Professionals

AI Fluency: Framework & Foundations

The First Position in the Reelnaissance at
Abhiyantriki

communication skills

Exceptional interpersonal and communication skills. Proven ability to build strong relationships, foster a collaborative team environment, and effectively lead others through clear, empathetic interaction
